Parent Contract
(revised January 2012)

This is to confirm that child care will be provided for

between the hours of _____ and _____ at the rate
_____ per

week. Upon enrollment, a \$75.00 registration fee plus the first week of tuition is due. This will secure your child's position (**this is nonrefundable**) . There is a \$20.00 per day late fee for payments which are not submitted by Friday of each week. Payments are due every Friday for the upcoming week. If your payment is not received, we reserve the right to terminate your enrollment within a days notice. The weekly rate stays the same whether the child attends or not since the space is held for your child. The fee includes breakfast, milk with lunch, an afternoon snack and plenty of educational supplies. If you should decide to leave Kiddie Corner, you are required to give a 2 week notice or you will still be responsible for the tuition for those 2 weeks. Please fill out the proper registration form for emergency and child pick up information, and provide a health and immunization form from your doctor. Parents are encouraged to visit the center at any time before and during the time that your child is enrolled. Parent involvement is welcomed. Thank you and welcome to Kiddie Corner Learning Center!
